Public Liability		\$1,000,000/2,000,000
Worker's Compensation		Statutory requirement

If requested, a certificate from an insurance carrier authorized to do business within the State of Indiana shall be furnished to the County Assessor attesting to the above coverage.

11. PROFESSIONAL APPRAISER RESPONSIBILITIES.

- A. Professional Appraiser shall review and verify all sales disclosures for the period of July 1, 2006 through December 31, 2007 that are provided by the assessors. The appraiser shall conduct an additional review of sales from January 1, 2005 through June 30, 2006. These sales were part of previous contracts and shall be incorporated into the trending studies for March 1, 2007 and March 1, 2008.
- B. The Contractor shall review existing neighborhood boundaries and re-delineate or further stratify those neighborhoods if required. Stratification to include, but not limited to new subdivisions and lake-front areas. After neighborhoods have been reviewed and further stratified the Contractor shall provide neighborhood factors (improvement multipliers) for each unique neighborhood. Trend factors shall be developed for all classes of improvements.
- C. The Contractor shall review existing land values for all property classes, excluding farm ground and provide trended land values to the county for 2007 and 2008. After neighborhood factors and land rates have been determined the contractor shall load those changes into the control pages of the county's Proval computer system. The assessors shall be responsible for changing the neighborhood numbers, and land rates on each property card. The assessors shall also carry out recalculations of each taxing unit, printing of new cards, and printing of all "Form 11's". The Professional Appraiser shall modify any neighborhood factors or land rates if determined necessary after review of additional sales listed in above paragraph (A).
- D. After the recalculations of each neighborhood have been completed the Contractor shall complete a ratio/ equalization study for those classes of property required by DLGF guidelines. The Contractor shall verify that the study meets all criteria and methodology required in application of "Standard on Ratio Studies" published by the International Association of Assessing Officials. (50 IAC 14-2-1 Method, Sec. 1).
- E. Appraiser shall assist the county in preparing an electronic data copy of the equalization study to the DLGF for final approval. The assessors shall send the report to the DLGF. All real property assessment data that is generated and delivered to the assessors shall be in a format that is acceptable to the DLGF data analysis department and the LSA. The Appraiser shall provide data to the Assessors with complete parcel characteristics that are formatted to meet the requirements prescribed by the DLGF and LSA.
- F. Appraiser shall provide representation at any public hearings required.
- G. Appraiser may obtain any relevant data from local appraisers or subcontract with a local appraiser to assist with final valuations.
- H. Reassess/ rework any parcels reviewed during the sales analysis that are significantly under or over assessed (variation of more than 25%). Rework to include field review, physical inspection, updated photograph and computer changes.

- I. Appraiser shall provide the county with (80) eighty hours of additional assistance for PTABOA hearings, township informal hearings, or IBTOR 131 hearings. Any additional hearing time requested by the assessors would be billed at \$50/hour for Level II employees.
- J. Professional Appraiser will provide Level II employees with prior experience to data collect, photograph, grade, review and price all improvements that are located on parcels provided by the assessors for commercial, industrial and utility new construction for March 1, 2007 and March 1, 2008. The Appraiser shall also provide the assessors a field data sheet and photograph of each new improvement. Assessors shall data enter all residential and agricultural new construction. The appraiser shall also provide five (5) days of field and office assistance to the trustee assessors.
- K. The professional appraiser shall also provide assistance to the assessors to review tangible personal property (Form 103 and Form 104) filings from AK Steel. Assistance to include review and rework of Forms 103 and 104 along with serving as a witness for PTABOA and State hearings involving AK Steel.
- L. The Contractor shall conduct a review of the assessments on multi-unit apartments using income and expense data provided by the property owners. The Contractor shall also conduct a review of residential rentals and develop gross rent multipliers as a standard for the review.
- M. The Contractor shall review one fourth of the improved commercial and industrial properties in 2007 and an additional one fourth of those parcels in 2008. The review shall include field inspection, review of obsolescence, review of use type and update of the property records on the county's computer system.

12. TIME AND MANNER OF PAYMENT.

The professional appraiser shall submit to the county periodic claims for the amount of work actually completed during each billing period. The amount of payment is subject to approval by the Contract Representative. The Contract Representative shall base approval upon inspection of the claim and verification the work billed has been completed. Payment shall be made within thirty (30) days after the approval of Contract Representative and Board of Commissioners.

Contractor shall not be held responsible for delays resulting from the County's assessment software or hardware, delays resulting from legislative changes that pertain to trending/ equalization, delays resulting from rule changes by the DLGF, or delays in obtaining necessary sales disclosures from the County.

If all work is not completed under this contract by the completion date of this Contract, all payments will be suspended until all work is completed. Payment of the suspended amount will be made to the Contractor within thirty (30) days after certification has been made by the Contract Representative that all work has been completed.

13. CONFIDENTIAL NATURE OF APPRAISAL DATA.

The Contractor shall assure that no individual on the Contractor's staff shall disclose any appraisal information to any individual, firm or corporation other than appropriate public officials and their authorized agents. Any data, which is to be released, shall be provided to the Assessor(s) who shall provide for its release.

14. COMPLETION DATE.

A complete review of all required sales, the establishment of neighborhood ratios, the development of a complete equalization study and review and the submission of the equalization study to the DLGF shall all be completed using those deadlines established by the DLGF.

Review of disclosures shall be completed within 60 days of receiving disclosures from the assessors. All parcels presented to the Contractor for March 1, 2007 and 2008 new construction will be data collected, graded and entered within 45 days of the Contractor receiving the PRC for review.

15. GENERAL PROVISIONS

- A. This Contract sets forth the entire agreement and understanding of the parties with respect to the subject matter and supersedes all prior oral and written agreements and understanding between the Assessors and the Professional Appraiser. No representation, promise, inducement or statement of intention so set forth.
- B. No waiver, alteration, modification, or cancellation of any of the provisions of this Contract shall be binding unless made in writing and signed by all those signing this Contract, or their successors in office. The failure of either party at any time or times to require performance of any provisions of this agreement shall not be considered a waiver and will in no manner affect the right at a later time to enforce that provision.
- C. In the event that one or more of the provisions contained in this Contract shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions contained in this Contract. If any provisions contained in this Contract shall for any reason be held to be excessively broad as to duration, geographical scope, activity or subject, it shall be construed by limiting and reducing it, so as to be enforceable to the extent compatible with the applicable law as it then shall appear.
- D. This Contract shall be subject to and interpreted in accordance with the law of the State of Indiana and suit, if any, shall be brought in Indiana courts. All work shall be

carried out in accordance with the Constitution and laws of the State of Indiana as well as the applicable rules of the DLGF.

- E. This Contract shall be binding upon and inure to the benefit of the parties and their respective successors, assigns and legal representatives, provided, however, that this Contract is not binding upon a successor to the elected office of an undersigned Assessor without the successor's prior written consent, nor can the rights, duties, and privileges of the Professional Appraiser under this contract be transferred, sublicensed, or assigned by it, either whole or in part, without the prior written consent of the Assessors.
- F. In the event of major legislative, judicial or DLGF changes to trending requirements after awarding of the contract, the terms of the contract may be modified by mutual consent of both parties. If consent can not be reached the contract may be terminated by either party. In such case, the Contractor shall only be paid for those services actually provided prior to termination.
- G. This contract may be amended without re-bidding to permit the County Assessor to contract for other assessment services for the assessment years of 2007, 2008 and subsequent years until the next general reassessment year.

16. COUNTY RESPONSIBILITY.

Spencer County Assessors shall provide to the Professional Appraiser one copy of each sales disclosure and one corresponding field sheet for the development of neighborhood ratios. After all neighborhood ratios and updated land values have been implemented the assessors will produce an updated field sheet for each relevant sale that shows updated values arrived at by application of the neighborhood factor.

The assessors shall provide maps on an as-needed basis.

The assessors shall be responsible for data entry of all revised land rates and neighborhood numbers. Assessors shall carry out all recalculations and print all updated property cards and assessment notices.

Assessors shall have final approval and be responsible for certification of all new assessed values for the years of March 1, 2007 and March 1, 2008 that result from carrying out this contract.

County shall provide one computer terminal for use by the Appraiser on an as-needed basis.

The Assessors shall provide assistance to the Contractor in identifying the rental units that are to be reviewed on an income basis. The Assessors shall provide property cards to the Contractor of all parcels subject to review. The Assessors shall provide the postage for mailing income and expense forms.
